**MAILED**

JUL 28 2010

**OFFICE OF PETITIONS**

In re Application :  
Janssens, et al. :  
Application No. 10/540,447 : PATENT TERM ADJUSTMENT  
Filing or 371(c) Date: June 22, 2005 :  
Dkt. No.: JAB1731USPCT1 :  
:

This is in response to the "Disclosure Letter Patent Term Adjustment Determination Letter 37 CFR 1.705," filed May 4, 2010. This matter is being properly treated under 37 CFR 1.705(b).

The request for reconsideration of patent term adjustment is **GRANTED**.

Applicants assert that the patent term adjustment of 484 days indicated in the Determination of Patent Term Adjustment mailed February 9, 2010 may be longer than appropriate. Applicants assert that the adjustment of 484 days does not include a period of reduction for applicant delay in connection with the petition to revive filed April 3, 2009. Applicants request that the Office review the PTA calculation for this application, and if necessary, adjust the term as appropriate.

In addition to the 21 days of delay accorded pursuant to 37 CFR 1.704(b) in connection with the reply filed April 30, 2008, the adjustment is subject to an additional reduction of 172 days pursuant to 37 CFR 1.704(c)(3)(i) in connection with the petition filed April 3, 2009. The reduction commenced November 7, 2008, the date of abandonment of the application, and ended April 27, 2009, the date that the petition decision reviving the application was mailed.

In view thereof, as of the time of allowance, the application is entitled to a patent term adjustment of 312 days (adjustment of 505 days less reductions of 193 days).

The \$200.00 patent term adjustment application required per 37 CFR 1.18(e) has been charged to the authorized deposit account.

The application file is being forwarded to the Office of Data Management for issuance of the patent. The patent term adjustment indicated on the patent (as shown on the Issue Notification mailed about three weeks prior to patent issuance) will include any additional adjustment accrued both for Office delay in issuing the patent more than four months after payment of the issue fee and satisfaction of all outstanding requirements, and for the Office taking in excess of three years to issue the patent (to the extent that the three-year period does not overlap with periods already accorded).

Telephone inquiries specific to this decision should be directed to the undersigned at (571) 272-3205.
